“There to Here” CD/LP    **October 9, 2006**

Joe Lally has played bass in Fugazi since their inception in 1987. In 2003 the members of Fugazi decided to take an indefinite hiatus from recording and performing. Since that time Joe has continued to write and perform solo material in collaboration with various musicians and friends.

"There to Here" was recorded both at Inner Ear Studios by Ian MacKaye and Don Zientara and at the Dischord House by Ian MacKaye. The album features Lally's spare and direct bass compositions with contributions from Jason Kourkounis (Hot Snakes, Delta 72, etc.), Jerry Busher (French Toast), Danny Frankel, Eddie Janney (Rites of Spring, One Last Wish), Guy Picciotto (Fugazi), Ian Mackaye (The Evens, Fugazi), Amy Farina (The Evens), Scott (Wino) Weinrich and Antonia Tricarico.

Joe has been playing regional east coast dates in the US with Don Zientara and has played select dates in Italy. In September he will be touring the States with Antelope and plans to tour regularly in the States and beyond throughout 2006 and 2007.
